## Photos will feature

MERBEIN will soar to new heights for next month's centenary.

Lindsay Cupper, an internationally renowned cinematographer, will showcase his work on August 16 as part of the Merbein Centenary celebrations.

Mr Cupper, who spends most of his time in northern Australia filming birds, grew up on a Yelta block, near Merbein.

Some of his most recent work screened on the ABC program *Aus-*

*tralia Land of Parrots* last year.

Mr Cupper's work has also featured on *National Geographic*, the Discovery Channel and the ABC.

His "imaginature" exhibition and screening will be at Merbein Citizen's Club at 7.30pm on August 16.

Mr Cupper's event is just one of many to be included in Merbein's Centenary celebrations.
